

Humboldt & District Gallery 2018 Members' Show and Sale

This show and sale is a true reflection of the dynamic group of artists that we have in Humboldt and surrounding communities. It is an un-juried exhibition that allows each member to add their own unique voice and style to the Gallery space. The Humboldt and District Gallery wants to showcase and support members who make art and who are interested in selling their work. The commission retained from the sale supports public and education programs at the Humboldt & District Gallery.

Humboldt & District Gallery members may submit up to three works in any media that meet the following criteria:

1. Artist must be a Member of the Humboldt & District Gallery in good standing as of August 24, 2018.
2. All artworks exhibited are to be the original works of the artist. Reproductions are not permitted.
3. All artworks must be produced in 2014-2018 and not have been previously exhibited in a Members' Show and Sale at the Humboldt & District Gallery.
4. All artworks must be ready for display. All two-dimensional artworks must be properly finished and ready to hang, and all three-dimensional artworks properly mounted and ready for display.
5. For two dimensional works, each artist's work(s) will be grouped in a space measuring 36" wide by 48" high. When planning your submission, consider the size of your piece(s) including the frames and allow for some breathing space between the pieces.

7. All artworks submitted must be for sale.
8. The base price of the artworks is to be set by the artist, between \$25.00 and \$1000.00.
