### Exhibition Proposals

The Humboldt and District Gallery ensures that our community has access to a variety of professional visual art installations each year and provides a place for artists to display their work. Twice annually, the Gallery accepts exhibition proposals from artists in all mediums who would like to show in this space.

We encourage all artists of various experience levels to submit applications to the Gallery for consideration. We are committed to creating a space that is equally accessible for both emerging and established artists. The Gallery staff is also able to assist those new to exhibiting with the process of mounting a show.

All submissions will be reviewed in a timely manner. Various spaces within the Gallery may be offered to artists, depending on the exhibit schedule. A plan of the Gallery may be downloaded below.

Our exhibit schedule is developed 2-3 years in advance. We thank you for your patience as these decisions can take some time. Our deadlines for submissions are **June 30 and December 31** of each year. Please have all your material to us by this date or your submission will have to wait until the subsequent deadline. Instructions on submitting a proposal are below.

If you have any questions or would simply like to discuss your proposal, please do not hesitate to contact us at (306) 682-5226 or email us at [info@humboldtmuseum.ca](mailto:info@humboldtmuseum.ca).

Sincerely,

Humboldt & District Gallery team

Thank you for taking the time to put together an application to exhibit your work at the Humboldt & District Gallery.

The Gallery's bi-annual deadlines are **June 30 and December 31** each year. If a deadline is missed, your submission will have to wait until the following deadline to be considered.

Works in any media will be considered for display, including but not limited to paintings, photography, woodwork, textiles, ceramics, glass, metalwork, multi-media presentations and mixed medium pieces. Each piece should be correctly labeled with the year it was produced.

For those who have not exhibited before, the Gallery may assist with producing labels and writing introductory statements, as well as answering questions and providing guidance throughout the submission and exhibiting process. The Gallery staff will also assist with installation, promotion and programming of any exhibition that is selected

Please note that the Gallery exhibition schedule is planned 2 to 3 years in advance, so please make sure you include when your exhibit would be available within the upcoming **four** years.
