

ORIGINAL HUMBOLDT

School Tours this fall!

Use a real telegraph machine to send messages along the telegraph wire. Work in teams to decipher Morse Code.

Tour the site where regional history meets land-based learning!

This land-based learning opportunity can complement teaching about the National Day for Truth & Reconciliation.

**Located 8km west of Humboldt - transportation is required.
Tours available Tuesdays to Fridays.
Call 306.682.5226 or email info@humboldtmuseum.ca.**

Original Humboldt Curricular Connections

Tours at Original Humboldt have Curricular Connections for all grades. Contact the Museum for more information about which learning objectives can be met during this program. Tours at Original Humboldt include learning about:

- Communication throughout Canada using the Dominion Telegraph & trade routes
- Techniques used in modern archaeological digs in Saskatchewan
- Métis people, their culture, and their role in the North-West Resistance
- The role of Original Humboldt & Fort Denison in the North-West Resistance
- Pre-settlement history & settlements in Saskatchewan, and how the land influences settlements
- Relationships between settlers and Métis and First Nations people
- Treaties, treaty relationships, and ongoing reconciliation
